

GA-32 — Opt-In Form for County Judges

Date: 10/8/2020

On behalf of Blanco County, I am requesting to opt in to the reopening of bars and similar establishments as defined by Executive Order GA-32, because (check one of the boxes below):

The County is not located in an area with high hospitalizations, as listed at www.dshs.texas.gov/ga3031.

The County has filed with the Department of State Health Services (DSHS), and is in compliance with, the attestation form promulgated by DSHS regarding minimal cases of COVID-19. Visit: <https://www.dshs.texas.gov/coronavirus/opentexas.aspx>.

OR

I have previously opted in for the reopening of bars and subsequently my county has become ineligible or I wish to change my designation. By checking this box I am notifying the TABC of this change.

I understand the importance of the DSHS minimum standard health protocols and will assist in enforcing them at reopened bars and similar establishments in the County.

I also understand it is my responsibility to update this form and re-file it with TABC in the event that either of the above criteria change and my county becomes ineligible for opt-in, or if I decide to update my selection and return to opt-out status.

If you believe the information contained on the DSHS website is incorrect please contact DSHS here: <https://www.dshs.texas.gov/contact.shtm>.
