

**Subject:** Blanco County Workforce Forum

Greetings!

We're hosting our Workforce County Forums virtually this year in partnership with TIP Strategies. We will be using this time as an opportunity to gather your insights to inform the development of our strategic plan. The strategic plan will help us determine where we can prioritize our efforts to support workforce development in your County for the next 3-5 years.

We hope to have as many businesses and community stakeholders present to discuss a range of topics that impact workforce development.

If you have not done so already, please fill out the survey. It will help us prioritize the topics that need to be discussed at the forum, such as affordability, technical training, soft skills, supporting the ISDs/youth, child care, and others. If there is a topic that we have not considered, please fill it in the comment section.

If you know of a business or community stakeholder that should be a part of this, please feel free to forward this invitation on.

We look forward to hearing from you,
